

Early Learning Victoria Oral Health Pilot

An Oral Health Victoria initiative in partnership with Early Learning Victoria

About the Pilot

Early Learning Victoria is the operator of the Victorian Government-owned early learning centres, rolling out across the state from 2025 to 2032. At full rollout, there will be 50 Early Learning Victoria centres across the state in communities that need them most.

The pilot will deliver a range of oral health interventions, including oral health promotion programs and clinical dental care. It will also explore the impacts of these interventions on oral health outcomes in early childhood settings.

The oral health activities offered

- ✓ Oral health screenings and fluoride varnish applications
- ✓ Oral health packs for families
- ✓ Smiles 4 Miles program
- ✓ Dry toothbrushing program
- ✓ Training and resources for early childhood staff

Location of the pilot centres

- ✓ Early Learning Victoria Wimbi, Fawkner VIC 3060
- ✓ Early Learning Victoria Muyan, Sunshine VIC 3020
- ✓ Early Learning Victoria Bani Walup, Murtoa VIC 3390
- ✓ Early Learning Victoria Nyernilang Lar, Eaglehawk VIC 3556
